Art Unit: 1731

- 1) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show a method of processing tobacco dust which develops in the course of the making of tobacco-containing products, including the step of comminuting particles having sizes greater than a predetermined size (claim 26); an apparatus for processing tobacco dust which develops in the course of the making of tobacco-containing products including means for comminuting particles having sizes exceeding a predetermined size (claim 27); a machine for making smokers' products including means for comminuting particles having sizes exceeding a predetermined size (claim 28).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

- 2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone number is 703-305-
